Perusal of pages 66–64 together with the copies of the two manuscript letters (pp 68-67), seized from Santi Sinha Ray (alias Shital — F.B. — since restricted to Tippera district) (vide items nos 6 & 7 at page 24, ~~pex~~ and portions marked "A" [illegible] at pp 28 & 59.

U.P.S.B want our comment on these 2 letters and also a note on Karuna Nanda Ray (vide p 65).

(1) We may send a copy of the note on Karuna Nanda Ray (p 69-70) to U.P.S.B together with copies* of the letters at pages 68-67 and say that enquiry is being made to fix the identities of "Tripathi" and "Rambilash" who [illegible] appeared to be in Calcutta at the time.] T.L 83 reported on 24-3-41 that one "S. Tripathy" attended a secret party meeting with others. He has not yet been fixed. We have no reference to "Rambilash" of the party. There is a reference to Purdy, at in the letter at p67.

* spare copies are in the service envelope above p 69.

I have asked S.I. P. Sen to collect particulars of 'Tripathi', 'Rambilash', to suggest the identity of the writer of these 2 letters (pp 68-67)* to report whether anyone of the

party went to Ceylon & Madras if so, when & also further developments regarding the proposed A.I. conference (p. 304, s/w of T.L 83 & p 69).

Re. Hindi letters referred to in para 2 (p66). It probably refers to the leaflet "Sunhari Ghari" (Opportune Time) in Hindi (see para 15, p 307 of s/w3). According to U.P.S.B. letter at p 45 Action of T.L 83 - linked) it was issued by the Bolshevik Party of U.P & Bihar in January last & appears to have been sent to Bengal at about that time. One copy was produced by T.L. 83 on 6/2/41

(2) We may inform U.P.S.B accordingly. done

(3) Re para 4 of the letter at p66, we may enquire of U.P.S.B whether the Ry parcel (sent to Ambar Prasad) was traced. If so, we may request for a note on the contents, addresses etc. done

It appears from the letter no 6 at p 67 that a "summary" of the constitution of the party was sent to Calcutta along with other & aforesaid two letters, nos 6 & 7, (pp 24 & 68-

This summary was not

ized at the ~~[illegible]~~ search of 38A, Sadananda Rd on 15.6.41. It is not known whether the 'Summary' can be identical with "Brief Summary of the Transitional programme of the Indian Section of the 4th International" (See para ~~16~~, 13(6), p 273 W.S).

Probably

Santi Sinha Ray to whom the aforesaid letters were made over by Karuna Kanta Ray at Benares for delivery to Kamalesh Banerjee (See 'A', p 59) was previously a member of the Anushilan party, then joined the Trotskyist group, ~~[illegible]~~ subsequently seceded from the latter party, ultimately became a Forward Blocist. It appears that Karuna Kanta Ray did not know about it & made over the letters together with the 'summary' to Santi Sinha Ray when he went to attend the A.I. Students Convention at Benares held there on 1st & 2nd Feb 1941 (See para 1 pp 309-310). Santi ~~B.~~ Sinha

(7) Ray was not examined regarding the whereabouts of the 'Summary' (p67)

A S.I. P. Chatterji will examine him on this point when he goes to Comilla next time. He will take my instruction before he leaves for that place.

Fixation of the identity of the writer of ~~the~~ letters, items no 6 & 7 (p24) is necessary. Done Send the original letters to D.C.S.B for favour of suggestion re. the identity of the writer as I think that Philip Gunawardan is in custody from Nov or Dec of 1940 & as such he may not be the writer.

(4). We may have Karuna Kanta Roy in Calcutta, search his belongings & bring him up for examination re. the 2 letters, summary etc if D.C.S.B has no objection. DCSB asked

CHOWRINGHEE INCIDENT

STORY OF MOLESTATION OF LADY BY SOLDIERS

Youth's Allegations Against Sergeants

The sensational story of a Bengali lady having been dragged inside the Bristol Hotel on Chowringhee Road by some soldiers on the night of December 25, was related by Sj. Karuna Kanta Roy, a young man hailing from Sylhet, before Mr. R. Gupta, Chief Presidency Magistrate, in the course of his statement in court on Wednesday, when he was placed on his trial on a charge of assaulting two Sergeants while on their public duty in front of the Bristol Hotel on the night in question.

Pleading not guilty, Sj. Roy stated that there was a great commotion outside the Bristol Hotel and he learnt that a Bengali lady had been dragged inside by some soldiers. He and others were trying to enter the Hotel with the object of rescuing her, when a Sergeant struck him a blow on the forehead. He remonstrated with the Sergeant, saying that instead of assaulting him the Sergeant should try and rescue the lady. At this, the Sergeant grew furious and struck him further blows. Another Sergeant came up and also assaulted him. He fell down almost senseless.

Proceeding, Sj. Roy stated that the Sergeants then began to take him towards the thana. Outside the Whiteaways shop, they let him go. He asked his uncle, who was with him, to take down the number of the Sergeants and his uncle lit a match to do so. This made the three Sergeants who were there furious and they caught the accused and took him off to the thana. Sj. Roy said he did not strike anyone.

Inspector Anil Mookerjee, who investigated the case, stated in cross-examination that the disturbance arose, he found on enquiries, from a rumour or allegation that some soldiers had molested an Indian lady in front of the Bristol Hotel. Inside the hotel he found furniture broken. Ten persons, besides the accused, were also arrested in connection with the disturbance, but they were discharged as they could not be identified.

The hearing was adjourned t
February 20.

D.S. 5,

In obedience to your order I examined Santi Sinha Roy s/o Kulachandra of Tippera at Comilla in connection with the "Summary of Constitution" of the Fourth International mentioned in a ~~tell~~ one of the two letters from Philip to "Dear friend" — seized from 58, Sadanandu Road, Calcutta, occupied by Santi. He stated that he carried two letters ~~made over~~ given to him by Karuna ~~Kanta~~ Roy of Kashi Vidyapith at the Beneras Railway Station for making them over to Kamalesh Banarji in Calcutta. He categorically denied to have any knowledge about the "Summary of Constitution" mentioned there in. He said ~~that~~ he had made a full statement to S.I. Huda of Special Branch while he was taken there and examined. He has got nothing to add to what he had already stated. "Philip" the writer of the letter, he said, is Philip Gunawardhan of Ceylone with whom he first came across at Tripuri in 1938 during the All India Session of the Congress and Kamalesh Banarji of Calcutta for whom the letters were meant, was his private tutor in Calcutta. I am aged 27 years and unmarried. I prosecuted my early studies in Nilambazar M.E. School and passed from that School in or about 1930. I did not join any other School for the next 4 or 5 years. In 1934, I was elected a delegate to all India Congress session for Sylhet. The Conference was held in Bombay. I along with my another friend SATYEN SEN of Sylhet (who was also a Congress worker) decided to join the Congress Session and started on foot in August enroute to Bombay. We reached there by the December just one or two days before the Congress session. I was there for 4/5 days. During the Congress session I picked up acquaintences with Swampurnand (Ex-ministir, UP) and Ram Saran Das who were delegates to the Conference and were then professors of the Kashi Vidyapith. As per their instruct I came to Benaras and saw them in the Kashi Vidyapith just after the Conference. I got myself admitted in the Vidyapith in that year ie 1935. After studying there for a year I was selected by the Kashi Vidyapith to undergo a training in the preparation of hand made pa

came back to Kashi Vidyapith where
I was appointed as an instructor to

final Examination in December, February 1940 and
passed the same: I remain there for
a few months more (3/4 months) in connection
with my writing a thesis to be submitted

I went to my native village after this and
was there for about ~~7/8~~ 6 months. On my

I halted in Calcutta for about a week.
I used to put up with one my relative

After staying for ~~7/8~~ 6 months in my home

I manage my expenses by tuition and I am at present employed as a teacher to the children of one BALCHAND at 9B Lake View Road. I get Rs 40/- by this. I got this job through Marwari Association where I went in search of jobs as I had instruction from Kashi Vidyapith to search for employment there. The Secretary of the Association introduced me with BALCHAND.

I became a primary member of the Congress Committee in Karimganj in the year 1932 and attended the Conferences in Bombay (1934) and in Lucknow (1936). Besides this I did not participate in any other Conferences or meetings of the Congress.

I have no connection with any other movement whether open or secret. ~~Besides I don't know the existence~~ that I was also a member ~~for the~~ of the Benares Students Federation for about 2 years, but I did not take any active part there.

I know only my relations in Calcutta. Besides that I do not know anybody else here. I have no friend or associate here. My relations are.

(1) ~~[illegible]~~ Gopesh Chandra Das. - distant relation - also a co-villager.

(2) Baroda Kanta Das - distant relation at Vivekananda Road. He is the manager of the S. N. Rao & Co.

I donot Know any one with the name Santi Singha Ray. Many delegates of the Students conference from all over India went to Benares in february 1941 and ~~were~~ further visited Kashi Vidyapith. So I might had seen him. But I ~~had~~ did not make over any letter to him ever. I ~~have~~ never saw the letters (now you are showing) before. I donot Know the handwriting. I Know ONKARNATH SASTRI as an ex-student of the Kashi-Vidyapith and a teacher of the Vidyapith School.

I purchased the books (Seized from my room) from Calcutta shop for our ~~own~~ study in connection with my thesis.

Is a a graduate of the Kashi Vidyapith. Formerly was a Vice president of the Benares Student Federation and also was connected with the Hindi ~~Urdu~~ newspaper 'Aoyaj'. Is an important member of the Marxist Leninist Party (now known as the "Bolshevik Leninist Party"), a branch of the 4th International. Was brought to Calcutta for work in the Bengal branch of the party and became a member of ~~the~~ its provincial Committee. In June 1940 met Arthur Wallock of the 'Lanka Samaj Party' in Calcutta who advised him and other members to recruit students to the party. In February 1941 met in Calcutta J. Reddy of Cylone, a member of the 4th International who advised him and others to carry on intensive propaganda. In March 1941, decided with some other members in a meeting to request ~~Reddy Sen~~ Reddy Senanayak of Ceylon for Rs 1000/- to purchase a small hand press for printing party leaflets. Was entrusted with the work of selecting some post box addresses for sending leaflets in Sylhet and lower Assam. At his suggestion the party decided in June 1941 to work in cooperation with the Forward Bloc for launching an effective struggle against the British Government. Sent from Benares in February 1941 two party letters written by Phillip (P. Gunabardhana), an important member of the 4th International to Kamalesh Banerji in Calcutta a member of the Bengal branch. Both, their ~~[illegible]~~ letters were signed from 58 A Sadananda Road in June ~~4~~ 1941. Dear friend Tripathi,

[illegible]

I had been to your village home. I am exceedingly glad that you are working with Bannerjee. I sent a letter to Rambilas, your friend but I don't know whether it reached him r or not. You may be expected at Allahabad after you examination that would be advantageous for Allahabad work. You will also work hard to pass your examination. I am sending some copies of the Hindi leaflets for your perusal and also for distribution by making several copies with carbon. This is the method applied by our comrades in their failure to get the leaflets printed. You will find your associates to take pains and do the work.

Yours affectionately,

Sd. Phillip.

Dear Friend,

I heard your plan and almost like it. I wished I could know in detail about the Madras work. Why not did you go to Bombay from your way back to Ceylon. Even now if you can do it you go there and find out Purdy if possible because you must know that the so called all India Conference is not going to meet so soon again. In that case it would be felt that we had not Purdy in the midst of our deliberations. This time whether four or five we shall form a provisional group for one year at least in which fresh additions may be made without any alteration of constitution or fundamentals of our programme. Every one of us must be prepared to give full time in the debates ~~and~~ and for a threadbare discussions. I have written out the thesis and will show you in the meeting. In the meantime you should go through the constitution I gave you and herewith a summary of the constitution that has been adopted by us in U.P. and Behar as a temporary organisational guide. You will take anything from this you like in your draft. I am sorry to note that you did not send up the copy of the 'New International' even now.

Regarding the place of our conference I select Benares because not only it would be convenient for U.P. comrades but also for Behar. There is no danger here. There are lot of cylonese in Benares. Moreover Benares would be convenient for Bombay friends if any. Think of it and also our own monetary difficulties. It would be absolutely difficult for me and a few of my friends to afford to go to Calcutta. In case however you are unable to have Benares as the place for conference and in case I am unable to take part then I will have to abide by the decision of the majority. I hope you are proceeding well. I want information of the date of the conference. March is also a busy month for me. So even then 15th onward will be suitable.

Yours fraternally,

My dear Janvrin,

Will you please refer to your Memo No.C.M.571/41 dated 9.7.41, enclosing items No. 6 and 7 of the search statement of the property seized during the search of 58A, Sadananda Road, Calcutta ?

2. We are at the moment unable to place Tripathi and Rambilash but I am making enquiries and will let you know the result in due course. I might point out, however, that the enclosure to your letter seems to indicate quite clearly that the two manuscript letters seized were written in Benares and handed over by Karuna Kanta Roy to Santi Sinha Roy on 2.2.41, who conveyed them to Calcutta for delivery to the addressee in Calcutta through Kamalesh Banerjee. If this is the position, it would appear that a search for these persons is required to be made in Calcutta. Similar remarks would apply regarding the leaflets referred to in the letter. I should be grateful of your comments in this connection.

3. Karuna Kanta Roy is the son of Kamani Mohan Roy of Loharpara, P.S. Karimganj, Sylhet, who has been coming to notice in the United Provinces since 1935. During the last two years he has been known to be engaged in Bolshevi Party organisation and is apparently an important worker of the Bolshevik Party of India (Trotskyite Group).

4. According to I.B. Bengal No. C/S 543 dated 28. Karuna Kanta Roy was reported to have gone to Calcutta party work and we had not heard of him again until rec when he was reported by I.B., Bengal in their No. C/S 4 dated 7.7.41, to have sent a railway parcel containing leaflets of the party to Onkar Nath Shastri at Benares Onkar Nath Shastri is also a member of the Trotskyite group who has been absconding for some time.

5. It would appear from paragraph 2 of your lett that the party conference referred to in the manuscri t letters is yet to be held, though this does not seem to be the case in view of the fact that the letters we written early in February 1941. It is, however, o interest that, according to the information of I.B.Ben Onkar Nath Shastri is reported to have asked Kama esh Banerji for funds to meet the expenses of the Al India Party Conference to be held in the U.P. by the e of J or beginning of August 1941.

6. I should be grateful of your further omment regarding the two items referred to in the en osure t your letter under reference.

Statement of SATYENDRA NATH MUKHERJEE s/o late Ram Charan Mukherj
of vill. Batsala, p.s. Bakergange, Dt. Barisal and of 58/A,
Sadananda Road, Calcutta.

I am aged about 23 years. We are 4 brothers and 3 sisters :-

1. MONORANJAN MUKHERJEE (40)-employee Tata Iron & Steel Co.Jamshedpur.
2. MYSELF.
3. KARTIK CHANDRA MUKHERJEE (12)
4. SADHU MUKHERJEE (7)
5. SUDHARANI GANGULY (Mrs) (27) w/o Madhusudan Ganguly of vill. Garulia p.s. Bakerganj, Barisal.
6. AMIYA CHATTERJEE (Mrs) (25) -w/o Bisweswar Chatterjee of vill. Rangasree p.s. Bakerganj, Barisal.
7. TARUBALA MUKHERJEE (17) -unmarried and lives in our native village.

I read upto Class VI in Batsala M.E.School and then got myself admitted into Kalash Kathi B.M.H.E. School where I read upto ClassIX and gave up my studies in 1936 as I did not like to continue my studies. While in Kalashkathi, I used to put up in the house of one Upendra Nath Banerji of the same village.

In 1938 I went to Jamshedpur and used to put up there with my elder brother Monoranjan Mukherjee. In the middle of 1939, I came to Calcutta in search of employment but secured none. I used to put up at 203A, Bowbazar Street in the house of one Jatindra Mohan Mukherjee, a man of Faridpur and late Manager of the Krisak Daily Newspaper. Now he is working as an agent of the Oriental Government Security Life Office. I used to coach his two young daughters of 7 and 8 years of age. I used to get Rs 5/- p.m. from him as tuition fee in addition to feeding and lodging. About 2 months back I made up my mind to work for the cause of the country and went to 20, Keshab Sen Street, Office of the All India Youth League and asked Surhid Kumar Mallick Chowdhury whom I did not know previously but I came to know his name from newspaper, to give me some facility for the purpose. He allowed me to remain in the said office where I used to guard the office when all other workers were away. I used to live there and got my feeding expenses from the office.

I did not do any other work there. Thence I went to 12, Cornwallis Street when the office was removed there and used to remain there. About 7 or 8 days back, Santi Singha Roy, asked me to go to 58A, Sadananda Road, the South Calcutta Office of the Youth League and so remain there and to guard the office. I found another youth named Mukul Roy @ Prodyot Das (now under arrest) living in this office, besides Santi Singha Roy, I am not a member of the Youth League and I do not know anything about the activities of the said League nor do I know anything about the papers and posters seized from our office by the Police this morning. I had no concern with the office works of the Youth League and hence I do not know about those papers. I did not either know anything about the outdoor works of the League. I do not know any worker of the Youth League by name but I know some of them by face. I only know Surhid Mallick Chowdhury, Santi Singha Roy and Mukul Roy @ Prodyot Das. I do not even know Nirmal Mukherjee, the Secretary of the Bengal Provincial Youth League. Except guarding the office of the League, I was never given any other work nor did anything be ever divulged to me in respect of the activities. I never distributed any leaflet or any posters.

......

After the externment of Arabindo Bose I became general Secretary of the B.P. Youth League. Towards the latter part of May/41, Santi Sinha Roy(arrested) who was organising Secretary of the B.P. Youth League rented a room at 58A, Sadanando Road (searched). This room was used as a party office "South Calcutta B.P. Youth League". I paid Rs. 3/- or 4/- to Santi at the time of engaging this room. It was sometime during the 1st week of this month, the following members of the executive committee B.P. Youth League met at 58A, Sadanando Road.

1. Lakshmi Seal (mentioned).
2. Gopal Mitter (mentioned).
3. Santi Sinha Roy (arrested).
4. Prodyot Das (arrested)
5. Haripada Mojumder, his address is not known to me.
6. Saroj Bhowmik (mentioned).
7. Madan Dhar (E.D).

It was decided after discussions that squads of young boys carrying different posters will be sent out at different localities by way of propaganda of the proposed conference to be held sometime in July. The initial expenses of the Conference will be met by subscriptions - /8/ annas as membership fee and Rs. 1/- as delegate fee.

A day or two previous to this executive committee meeting, a study circle was held in the same room. Santi Sinha Roy, Gopal Mitter, Prodyot Das and myself took part into the discussions. Our discussions were mainly based on launching of individual Satyagraha as against Satyagraha started by Mahatma Gandhi, which has produced very little effect at the present situation. I do not know much about secret activities of the B.P.Youth League. Dwijen Bose on one occasion told me that the B.P. Youth League has got its Central Committee consisting of Haribishnu Kamatha retired I.C.S. of C.P. Subhas Bose, Sardul Singh Cavisheer and other influential leaders. When I wanted to know more about the Central Committee, he warned me not to be inquisitive.

Prodyot Das (arrested) is a paid member of the B.P. Youth League. He has been mainly engaged by Dwijen Bose for writing our revolutionary posters. Recently he was writing our posters under the direction of Santi Sinha Roy. I paid Rs. 10/- to Prodyot on one occasion only as his pay.

Sometime before, I recruited the following Youths as members of the B.P. Youth :-

1. Sachin Mukherjee living at 5A, Nepal Bhattacherji Street.
2. Indu Ganguly, an employee of the Bank of Commerce living at 7, Nepal Bhattacherji Lane.

I forgot to mention about Nirmal Acharya who was a volunteer of the B.P. Youth League, and introduced to me by Dwijen Bose sometime before. Nirmal, while staying as an undertrial prisoner in the Presiden

Jail wrote me a post card and requested me to see him during his trial at the C.P.M's Court with E.D. Madan Dhar, but I did not attend the court nor informed Madan about it. Nirmal had some difference regarding the issue of Court raiding with Dwijen Bose and the leading member of the B.P. Youth League and resigned his membership. This post card was seized during the search of my house, On 8.6.41, Gonesh Bose, nephew of Subhas Bose handed over to me 2 letters addressed to (1). Dr. Charu C. Banerji, and (2). S.M. Bhattacharji, Managing Director, Calcutta National Bank with introduction for some financial help for the proposed conference and celebration of Deshabandhu Anniversary. Both the letters were seized by the police.

Recorded by me.

DS,

As ordered I made the following enquiries to trace "Phyllip" and B.V. nephew of SANTI SINGH RAY:-

Officer to put up.

1) It appears from the statement of SANTI SINGH RAY recorded by the S.B that the English Manuscript letter beginning with "Dear friend" and ending in "Phyllyp" was given to him by one KARUNA KANTA RAY of Benares at the Benares Ry. station on 2.2.41 to make over to one KAMALESH BANARJI of Karbala Tank Lane. He did not deliver the letter for some personal difference with KAMALESH. The S.B suggested that PHYLLYP is PHYLLYP GUNABARDHAN of the Marxist & Leninist Party. In our office we have got reference to one PHILIP GUNABARDHAN of Ceylon All India Dock Workers Federation.

Statement of Nirmalendu Mukherjee, s/o. Jagernath Mukherjee of 5/1, Mukherjipara Lane, (Calcutta man) - recorded at the Special Branch Office on 16.6.41.

.....

I am aged about - 28 years and married. I am at present seeking for an employment. My father works as a Sub-registrar in the Shahnagar burning-ghat under the Calcutta Corporation. I have no brother. I have got 5 sisters - 1. Ashalata Mukherjee (15), 2. Reba Mukherjee (11) a student of the Adarsha Vidyapith , 3. Rekha Mukherjee (8), a student of the Adarsha Vidyapith, 4. Maya Mukherjee (6), a student of the Corporation Primary School, 5. Sandhya (4) and they are all living with parents.

I received my early education in the South Suburban School and passed Matric in 1931. After that I joined the Ashutosh College (I.A) and read about a year. In 1932, I took transfer and joined the Bangabasi College. I got plucked into the I.A. examination in 1933 and gave up study. The same year, I secured a job in the Singer Sewing Co. worked as a clerk in the Head office (Clive Street) for about 6 months. As I had a good taste in the football, I resigned this job in order to take part into the matches. I was a member of the Calcutta Town Club from 1931 to 1935. In 1938, I secured a job in the election department of the Calcutta Corporation and worked temporarily till December 1940 on monthly pay of Rs. 30/-. On 3.1.41 I joined as a vaccinator in the Corporation Health Department District IV and worked till 15.5.41 on monthly pay of Rs. 35/-.

As a man of South Calcutta, I have deep regard for Subhas Chandra Bose. During the Corporation election of 1940, I canvassed for Debabrata Mukherjee well-known Corporative Councillor of Ward XXIII. Gonesh Bose, nephew of Subhas Bose living at Elgin Road was known to me since my school days. We were reading in the South Suburban School for some years. During the election propaganda, Gonesh also worked for Debabrata Babu and since then, we became friendly with each other. I bore anti-Gandhi feelings on going through the newspapers that Subhas Bose had to resign from the Presidentship of the All India Congress during the A.I.C.C. meeting at Wellington Square (1940). I made up my mind to work for Subhas Bose and his party. During last winter, I became acquainted with Gopal Mitter of 4B, Mukherjipara Lane (a restricted detenu) living close to our house. One day, Gopal said that he with some of his friends were organising a party (All India Youth League) to make anti-propaganda against Gandhi and his followers. He gave me to understand that the proposed Youth League members would make propaganda among the youths on behalf of Subhas Bose and his Forward Bloc. I agreed to join the Party. One day, Gopal took me to Dwijen Bose, younger brother of Gonesh Bose (mentioned) at his residence at 38/2, Elgin Road, where the Youth League office was then started. Dwijen Bose supplied me with a membership form and I signed the same. There, I was introduced to Hemaprova Mozumder, the Vice-President of the Party. The office of the Youth League has been shifted from Elgin

Road to Keshab Sen Street and thence to 12, Cornwallis Street. The Youth League is now following the programme of the Forward Bloc direct action by sending volunteers to different courts. The volunteers court arrest by shouting revolutionary slogans. It has also taken up the programme of postering by writing out revolutionary matters. Statement of Jagannath Singh son of Patiram Sing, village Souner Taisili, P.S. -do- District Nagpur. Calcutta - 58/A, Sadananda Road.

I am aged 16 years and unmarried. We are two brothers of whom I am the elder. My younger brother's name is Deochand Sing. He is aged about 11 years and is a 4th class student of the Marhatta School situated in our native village. I have no sister. My father was a teacher of the aforesaid Marhatta School. He took part in a Congress procession some years back and lost his job on that score. Since then he has been unemployed and remains at home. We have some landed property in our village and we get crop from it. My father is mainly a cultivator by occupation and so I am.

I studied for two years in the Marhatta School of my village and then gave up my study for doing cultivation work on our landed property. I had worked as a cultivator for 2 or 3 years and then came away to Nagpur City in search of a job. I got the job of a household servant there in the house of Mr.T.R.Naidu, an agent of Fire Stone Tyres and I.B.Petrol at Nagpur City. He lived at Tent Line, Ratna Mudaliar ground. I had worked there for about 4 years and gave up my job about 9 months ago. I then came away to Tatanagore in search of a job and worked there as a servant in the house of one Mr.Mehta working in an office at Tatanagore for two months. As he was not of good temperament, I left my job under him and worked in the house of Mr.Knver, living in the same building with Mr. Mehta and also working in an office at Tatanagore. I had worked under him for about five months and then left my job. I then worked in the house of Mr.Monohar Sing, a foreman Tata Iron and Steel works Ltd., for about 1½ months. While working there, my fingers were burnt at the time of preparing meals for my master and so, I stopped working there for the treatment of my burnt fingers. But as my master refused to employ me again even after my recovery, I left his place on 13-6-41 and came to Calcutta for the first time in my life in search of a job on 14-6-41. Being a stranger here, I asked some people as to where Kalighat was. I heard the name of Kalighat before and wanted to go there. They gave me directions and I came to Kalighat on that day (14-6-41). I had only -/8/- with me. I spent that amount for my meals and wanted to sleep in the Dharamsala at Kalighat during the night. But the Darwan of the place did not allow me to sleep there. So, I slept on the ledge of a house that night (14-6-41). The police challenged me there, but did not arrest me. I did not know the name of the locality where I slept. The following morning (15-6-41) I was out to look for a job and asked some people as to where I could get one. One of the persons pointed a house to me, saying that volunteers were being enlisted there and that if I would go there, I would also be taken in. In order to have a shelter and to avoid police arrest, I went to the house and met a Babu there standing at the door. I told him that I wanted to be a volunteer. He took down my name, country address and a few other particulars and asked me to live there. The Babu then went out leaving me in a room on the ground floor. He also left the key of the door of the room with me directing me to put it under lock and key when I would go out. There was no one else with me in that room. The Babu is aged about 26 years, fair complexion, medium build and height, wearing beard and moustache. I did not ask him as to why volunteers were enlisted there and he too did not tell me anything about it. I did not know what kind of office was located there. While I was staying there, the Police once went there and enquired of me as to whether the Babu returned or not. In the meantime, the Babu came once and again went out. So, I told the Police in reply that he returned and again went out. After about half an

Statement of Santi Sinha Roy s/o Kula Chandra Sinha Roy of 9, Gope Lane, Calcutta and of vill. Khajuria, P.S. Faridgunge, Dt. Tippera.

My name is Santi Sinha Roy and am son of Kula Chandra Sinha Roy of vill Khajuria, P.S. Faridgunge, Dt. Tippera and of 9, Gope Lane. I am aged about 21 years and at present staying at 58A, Sadananda Road. I have shifted from the residence of my father at 9, Gope Lane to that place about three weeks. I have rented a room at Rs.8/- and used to take my meals outside in hotels.

I passed the matriculation examination in the year 1937 from Hindu School, Calcutta. I passed I.A. from St. Paul's College in the year 1940. I then got myself admitted in Bidyasagar College in the B.A. course and am a student of the 4th year class.

I became a member of the students Federation in the year 1936. I do not remember who enlisted me as such. Since then I am a regular member. I belong to the Forward Bloc group and also a prominent organiser of the Youth League. I became a member of the working Committee of the A.I.S.F. and B.P.S.F. in the year 1941. I visited almost all the provinces of India as a delegate of the A.I.S.F. and B.P.S.F. I know Amiya Das Gupta, who belong to the C.P.I. group of the S.F. We have no connection with them at present. We are running a separate organisation altogether.

I was convicted for three months and was detained as undertrial prisoner for more than two months in 1940. I was released on 30th November, 1940 and learnt that the Youth League was formed. I also joined the organisation and our office lies at 12, Cornwallis Street. The principal aim of the Youth League is to consolidate the youths on an All-India basis to fight for the liberty and freedom of India.

The membership of the league is very restricted for getting true and faithful workers. At present the number of the members of league may come up to one thousand in Bengal. This league will have to follow the instructions of Forward Bloc. Since I have joined the league, I have not found any leaflet or literature issued by the Working Committee of the league. The Committee used to do that while there was the Holwell Monument's agitation and I was in jail.

The meetings of the Working Committee of the league were generally held at my residence at Sadananda Road and all the proceedings were published in papers. After the externment of the student workers, no working Committee meeting of the Students Federation was held to discuss the future course of action.

This morning at about 3 a.m. my residence at Sadananda Road was searched and I was arrested by the police. They have seized some papers. I do not think those are prejudicial.

Further Statement of SATYENDRA NATH MUKHERJEE son of late Ram Charan of Vill. Bapala P.S. Bakargunge, District Barisal and of 58/A, Sadananda Road, Calcutta.

.....

I did not know Prodyot Das alias Mukul Roy before. About 10/12 days back, I came to live at 58/A, Sadananda Road at the instance of Santi Singha Roy. On my arrival at this address, I found Santi Singha Roy and Mukul Roy living there. No other person used to live there after my arrival. I did not know that Mukul Roy had another name viz: Prodyot Das. While we were taken to Bhowanipore Thana after search of 58A, Sadananda Road ? Roy on 15.6.41, I came to know for the first time that Mukul Roy was Prodyot Das. I did not know that previously he used to live somewhere in Tollygunge. I had never been to his Tollygunge House. During my stay at 58/A, Sadananda Road, he never told me anything about his outdoor works nor did he ever ask me to accompany him. I only came to know that he was a man of Barisal. Except this I did not know anything about his activities or antecedents. Either Santi Singha Roy or Mukul Roy @ Prodyot Das used to pay me -/4/- annas four only per diem.

About a month and a half ago, I along with three other youths offered satyagraha in Sealdah Court and was subsequently sentenced to eight days simple imprisonment on conviction. I do not remember their names. At that time I used to live at 12, Cornwallis Street. One day at about 12 noon, Santi Singha Roy asked me to accompany the above mentioned youths and to offer Satyagraha at Sealdah Court by raising anti-Government slogans in the courtroom. I never saw those three youths before. After our release from the Alipur Central Jail, I came back to 12, Cornwallis Street and those three youths went away to their respective places. I never saw them again and do not remember their names. I did not ask them their addresses. Except this occasion, nobody asked me to do any other outdoor work or to offer Satyagraha. I was never asked to distribute leaflets or stick posters. I never knew that the Youth League encouraged distribution of leaflets etc.

It appears from the letter No.6 at p.67 that a "summary" of the constitution of the party was sent to Calcutta along with the aforesaid two letters, No.6 & 7, (pp.24 and 66-67). This Summary was not noticed at the search of 38A, Sadananda Road on 15.6.41. Statement of Jagannath Singh son of Patiram Sing, village Souner Taisili, P.S. -do- District Nagpur. Calcutta - 58/A, Sadananda Road.

I am aged 16 years and unmarried. We are two brothers of whom I am the elder. My younger brother's name is Deochand Sing. He is aged about 11 years and is a 4th class student of the Marhatta School situated in our native village. I have no sister. My father was a teacher of the aforesaid Marhatta School He took part in a Congress procession some years back and lost his job on that score. Since then he has been unemployed and remains at home. We have some landed property in our village and we get crop from it. My father is mainly a cultivator by occupation and so I am.

I studied for two years in the Marhatta School of my village and then gave up my study for doing cultivation work on our landed property. I had worked as a cultivator for 2 or 3 years and then came away to Nagpur City in search of a job. I got the job of a household servant there in the house of Mr.T.R.Naidu, an agent of Fire Stone Tyres and I.B.Petrol at Nagpur City. He lived at Tent Line, Ratna Mudalier ground. I had worked there for about 4 years and gave up my job about 9 months ago. I then came away to Tatanagore in search of a job and worked there as a servant in the house of one Mr.Meht working in an office at Tatanagore for two months. As he was not of good temperament, I left my job under him and worked in the house of Mr.Knver, living in the same building with Mr. Mehta and also working in an office at Tatanagore. I had worke under him for about five months and then left my job. I then worked in the house of Mr.Monoher Sing, a foremen Tata Iron and Steel works Ltd., for about 1½ months. While working ther my fingers were burnt at the time of preparing meals for my master and so, I stopped working there for the treatment of burnt fingers. But as my master refused to employ me again after my recovery, I left his place on 13-6-41 and came Calcutta for the first time in my life in search of a job 14-6-41. I am aged 27 years and unmarried. I prosecuted my early studies in Nilambazar M.E.School and passed from that School in or about 1930. I did not join any other School for the next 4 or 5 years. In 1934, I was elected a delegate to All India Congress Session from Sylhet. The Conference was held in Bombay. I along with my another friend Satyen Sen of Sylhet (who was also a Congress worker) decided to join the Congress Session and started on foot in August enroute to Bombay. We reached there by the December just one or two days before the Congress Session. I was there for 4/5 days. During the Congress Session I picked up acquaintance with Swampurnand (Ex-minister, U.P.) and Ram Saran Das who were delegates to the Conference and were then Professors of the Kashi Vidyapith. As per their instructions I came to Benares and saw them in the Kashi Vidyapith just after the Conference. I got myself admitted in the Vidyapith in that year i.e. 1935. After studying there for a year I was selected by the Kashi Vidyapith to undergo a training in the preparation of hand made paper at the Wardha Village Industry School organised by the All India Village Industrial Association. I was in this School for about 3 months and then came back to Kashi Vidyapith where I was appointed as an Instructor to instruct the process of hand made papers. At the sametime I continued my study and appeared at the Final Examination in February 1940 and passed the same. I remain there for a few months more (3/4 months) in connection with my writing a thesis to be submitted to the Vidyapith in order to get my degree. I went to my native village after this and was there for about 6 months. On my journey to my home from Benares I halted in Calcutta for about a week. I used to put up with one of my relatives Gopesh Chandra Das at 63 Sitaram Ghosh Street. He is a motor driver by profession. After staying for 6 months in my home I returned back to Benares in January 1941 and was there for about 3/4 months. I came to Calcutta by March or April last (1941). In order to get help of the Imperial Library books in connection with the writing of thesis. I hired a room (No.34) at 118 Harrison Road and is putting up there since my arrival to this place (Calcutta).

I manage my expenses by tuition and I am at present employed as a teacher to the children of one Balchand at 9B Lake View Road. I get Rs.40/- by this. I got this job through Marwari Association where I went in search of jobs as I had instruction from Kashi Vidyapith to search for employment there. The Secretary of the Association introduced me with Balchand.

I became a primary member of the Congress Committee in Karimganj in the year 1932 and attended the Conferences in Bombay (1934) and in Lucknow (1935). Besides this I did not participate in any other Conferences or meetings of the Congress.

I have no connection with any others movement whether open or secret. Excepting that I was also a member of the Benares Students Federation for about 2 years but I did not take any active part there.

I know only my relations in Calcutta. Besides that I do not know anybody else here. I have no friend or associate here. My relations are -

(1) Gopesh Chandra Das - distant relation - also a co-villager.

(2) Barada Kanta Das - distant relation - at Vivekananda Road. He is the Manager of the S.N.Das & Co.

I do not know any one with the name Santi Singha Ray. Many delegates of the Students Conference from all over India went to Benares in February 1941 and visited Kashi Vidyapith. So I might have seen him. But I did not make over any letter to him ever. I never saw the letters (now you are showing) before. I do not know the handwriting. I know Onkarnath Sastri as an ex-student of the Kashi Vidyapith and a teacher of the Vidyapith School.

I purchased the books (seized from my room) from Calcutta shop for out study in connection with my thesis.

We reached there by the December just one or two days before the Congress Session. I was there for 4/5 days. During the Congress Session I picked up acquaintance with Swampurnand (Ex-minister, U.P.) and Ram Saran Das who were delegates to the Conference and were then Professors of the Kashi Vidyapith. As per their instructions I came to Benares and saw them in the Kashi Vidyapith just after the Conference. I got myself admitted in the Vidyapith in that year i.e. 1935. After studying there for a year I was selected by the Kashi Vidyapith to undergo a training in the preparation of hand made paper at the Wardha Village Industry School organised by the All India Village Industrial Association. I was in this School for about 3 months and then came back to Kashi Vidyapith where I was appointed as an Instructor to instruct the process of hand made papers. At the sametime I continued my study and appeared at the Final Examination in February 1940 and passed the same. I remain there for a few months more (3/4 months) in connection with my writing a thesis to be submitted to the Vidyapith in order to get my degree. I went to my native village after this and was there for about 6 months. On my journey to my home from Benares I halted in Calcutta for about a week. I used to put up with one of my relatives Gopesh Chandra Das at 63 Sitaram Ghosh Street. He is a motor driver by profession. After staying for 6 months in my home I returned back to Benares in January 1941 and was there for about 3/4 months. I came to Calcutta by March or April last (1941). In order to get help of the Imperial Library books in connection with the writing of thesis. I hired a room (No.34) at 118 Harrison Road and is putting up there since my arrival to this place (Calcutta).

I manage my expenses by tuition and I am at present employed as a teacher to the children of one Balchand at 9B Lake View Road. I get Rs.40/- by this. I got this job through Marwari Association where I went in search of jobs as I had instruction from Kashi Vidyapith to search for employment there. The Secretary of the Association introduced me with Balchand.

I became a primary member of the Congress Committee in Karimganj in the year 1932 and attended the Conferences in Bombay (1934) and in Lucknow (1935). Besides this I did not participate in any other Conferences or meetings of the Congress.

I have no connection with any others movement whether open or secret. Excepting that I was also a member of the Benares Students Federation for about 2 years but I did not take any active part there.

I know only my relations in Calcutta. Besides that I do not know anybody else here. I have no friend or associate here. My relations are -

(1) Gopesh Chandra Das - distant relation - also a co-villager.

(2) Barada Kanta Das - distant relation - at Vivekananda Road. He is the Manager of the S.N.Das & Co.

I do not know any one with the name Santi Singha Ray. Many delegates of the Students Conference from all over India went to Benares in February 1941 and visited Kashi Vidyapith. So I might have seen him. But I did not make over any letter to him ever. I never saw the letters (now you are showing) before. I do not know the handwriting. I know Onkarnath Sastri as an ex-student of the Kashi Vidyapith and a teacher of the Vidyapith School.

I purchased the books (seized from my room) from Calcutta shop for out study in connection with my thesis.

I did not know Prodyot Das alias Mukul Roy before. About 10/12 days back, I came to live at 58/A, Sadananda Road at the instance of Santi Singha Roy. On my arrival at this address, I found Santi Singha Roy and Mukul Roy living there. No other person used to live there after my arrival. I did not know that Mukul Roy had another name viz: Prodyot Das. While we were taken to Bhowanipore Thana after search of 58A, Sadananda Roy on 15.6.41, I came to know for the first time that Mukul Roy was Prodyot Das. I did not know that previously he used to live somewhere in Tollygunge. I had never been to his Tollygunge House. During my stay at 58/A, Sadananda Road, he never told me anything about his outdoor works nor did he ever ask me to accompany him. I only came to know that he was a man of Barisal. Except this I did not know anything about his activities or antecedents. Either Santi Singha Roy or Mukul Roy @ Prodyot Das used to pay me -/4/- annas four only per diem.

About a month and a half ago, I along with three other youths offered satyagraha in Sealdah Court and was subsequently sentenced to eight days simple imprisonment on conviction. I do not remember their names. At that time I used to live at 12, Cornwallis Street. One day at about 12 noon, Santi Singha Roy asked me to accompany the above mentioned youths and to offer Satyagraha at Sealdah Court by raising anti-Government slogans in the courtroom. I never saw those three youths before. After our release from the Alipur Central Jail, I came back to 12, Cornwallis Street and those three youths went away to their respective places. I never saw them again and do not remember their names. I did not ask them their addresses. Except this occasion, nobody asked me to do any other outdoor work or to offer Satyagraha. I was never asked to distribute leaflets or stick posters. I never knew that the Youth League encouraged distribution of leaflets etc.

The Youth League was formed after the Holwell Monument movement, most probably under the instructions of Subhas Bose. The Youth League was then instructed by Subhas Bose previous to his escape, to send 50 youths as volunteers to offer Satyagraha at courts. Accordingly volunteers were enlisted and names submitted to the then General Secretary, Suhrid Kumar Mullik Choudhury. The fact was also communicated to Dwijen Bose. I have got nothing more to say.

The Hindusthan Standard cutting -4.6.41.

1. This was cut from the said paper owing to the fact that the advertisement contained my latest address and it was the League's advertisement.

2. The slip of paper containing the number 5329 (Statesman) was kept by me. The number refers to the telephone number of the Statesman office. Some Mukherjee whose name I do not remember was to be called on 'phone to call out my cousin Himangsu Bikash Mazumdar an employee of the Statesman.

3. The laundry receipt refers to my clothes sent to the laundry, through Satyendra Nath Mukherjee, a volunteer of the League and so the receipt of the clothes bears his name.

Further Statement of SANTI SINHA ROY.

•••••

I was released on the 30th of November 1940 and on the 1st of December 1940, Hemaprova Mazumdar asked me to join Youth League and told me that this Party would be a real and dominant Party in India. She is my maternal grandmother and I had much regard for her. At once I agreed to join the Youth League which was just in its infant stage. Thereupon according to her instructions I met Dwijen Bose on 3rd of December at Sradhananda Park where he was attending a meeting. A date was fixed to have a meeting with him about the organisation of Youth League. On 5th December as was fixed I went to his house at 38/2, Elgih Road in the evening at about 6 P.M. We had a discussion about the principles and aims of Youth League. He readily agreed to give me the charge of the students section of the said Youth League. He asked me to recruit members very strictly. He told me that the genuine Subhasites, rather the genuine Forward Blockists should be enlisted as Youth League Members. Because the parties within Forward Bloc have exploited Subhas Babu from the very beginning of its formation. He therefore, wanted that a party of his genuine followers should be formed so that this party might have followed his instructions blindly whatever that might be.

I began to recruit members from the students within a short time. I had no further meeting with Arabinda Bose and Dwijen Bose before the last week of December where we started together for Nagpur to attend the All India Students Conference. It was decided at Nagpur in the meeting of the Forward Bloc Students that one genuine forward blockist (Youth League Candidate) should go in the working committee of the A.I.S.F. Accordingly Arabinda Bose became a member. After our return from Nagpur a room was rented for the purpose of the Youth League Office. I used to visit and attend the office twice a week.

#I met Subhas Bose for the first time in my life introduced by Arabinda Bose after my return from Nagpur and had a discussion about the recent split within the Student Federation. We asked financial help from him to keep up the expenses of the B.P.S.F. and organised after Nagpur split. He agreed to give but failed to keep his promise at all.

Dwijen Bose began to defray all the expenses for the organisation of the Youth League. Gopal Mitra also contributed to a certain extent. I knew that Dwijen Bose was intimately connected with Niranjan Singh Talib the editor of Desha Darpan in regard to this Youth League affairs. But he did not disclose anything about the secret activities through Niranjan Singh Talib except his intimate relations. Once I questioned about the purpose of his meeting with Niranjan Singh Talib and he told me that the Punjabis would be the real workers in the matter of liberating this country in which this Party would have a decisive role. He told me this in such a manner as if he wanted to keep this matter secret. Dwijen Bose was a dictator in Youth League and whenever anybody would ask something to be explained he would say that all these were directed from Central Committee of which Subhas Babu, Arabinda, Haribishnu Kamath himself and Gopal Mitra were the members.

I had the intention of being connected with the Bose family to get myself prominent in the Students Front and in the Public eye. I cherished the idea of being the President of B.P.S.F. through Youth League and to contest the next Calcutta Municipal Election with Subhas Babu's nomination which would make my position a sure one. I was successful in maintaining connections with the Bose family.

During my friendship with Arabinda I came to know Gopal Mitra, and Nirmal Mukherjee. I knew Amulya Mukharjee, the private secretary of Subhas Bose. While I was a prominent organiser of the Youth League I came to learn from Amulya Mukherjee that Subhas Bose left India in a Japanese Vessel in disguise of a Shikh. This seemed to me plausible because I found Subhas Babu keeping his beard and moustache. I asked Arabinda several times about Subhas Babu's departure but he avoided to disclose the real fact.

I know that B.P.C.C. (Suspended) has got a cyclostyle machine but I do not know where it is lying. The leaflets which were issued during Holwell Monument Agitation (when I was in Jail) were issued through that machine. I came to learn this fact from Dwijen Bose.

So far I know Youth League has no cyclostyle machine of its own. The Posters were always written by Prodyot Das and were also pasted by him at different streets.

This Prodyot Das was recruited by Dwijen Bose when he was starving without food. He used to get annas eight a day and do all these works, for the party and Bose family.

After my return from Benares Conference of the Students in the first week of February 1941 - I came in conflict with Arabinda and other Forward BlocStudents. The Conflict was in regard to the selection of the B.P.S.F. President I issued a statement against Forward Bloc in Amritabazar Patrika after B.P.S.F. Conference held at Calcutta. I remained silent for three months. After Arabinda's Externment, he nominated me in A.I.S.F. Working Committee and requested me to carry on the Youth League activities. I agreed but stopped the agitations at Court, the father of which was Dwijen Bose. I was trying for holding a Youth Conference for the purpose of Youth League propaganda. Before we were arrested, there were only three volunteers viz:- 1. Prodyot Das, 2. Satyen Mukherjee (arrested) and 3. Chitya Chatterjee, and three prominent members including myself, Nirmal Mukherjee and Madan Dhar.

We were also experiencing financial difficulties in keeping up the Youth League establishment,. Nirmal Mukherjee once suggested to obtain funds by committing dacoities like Duff Lane once to which I objected and the matter was dropped.

As regards the All India Youth League organisation, there are only two organisers outside Bengal namely, Prabodhi Chandra in Lahore and Mr. Jubbery of Aligarh.

Prabodh Chunder of Lahore

All the posters found pasted on the walls of 58A, Sadananda Road were written and pasted by Prodyot Das. I left my Entally residence with ~~xxxy~~ my father due to some personalx hitch with my father ~~xx~~ and was putting up at Sadananda Road from June 1st, 1940. It was settled that 58A, Sadananda Road would be the office of the South Calcutta District and the rent would be paid from the Youth League Fund.
